## About Us

Catering to the growing need for personal care products which are used in day to day life, we, Bhavi Group, are marked down as a dependable manufacturer and exporter of complete solutions for Oral Care Toothpaste like fluoride toothpaste, non-fluoride toothpaste, Private Label Cosmetics, whitening toothpaste, etc. and other personal care products like Skin Care, Hair Care, Baby Care, Ethnic Care and Travel Kits & Combo Packs, etc., which stand long on quality.

Best mouthwash products and face wash products are the specialty of Bhavi Group, which is a trusted manufacturer and exporter in this field. For a fresh start to day, our antiseptic, rinse and oral care products are the best option. Everyone needs extra mouth protection apart from toothpaste and toothbrush; here our mouthwash products are a clean winner. Our face wash products for men & women, oily skin & dry skin are deemed as the best face cleaners in the market. The facial cleanser are offered in attractive packaging, which is done with automated machinery installed in our unit.
